SERVING OUR VETERANS

VETERANS ARE YOU UNEMPLOYED?

Platform to Employment (P2E) was created in 2011 by the WorkPlace as a strategy to assist the unemployed in navigating the challenges of today's rapidly changing job market and to effectively get them back to work.

Veterans learn best practices and new strategies for networking, building personal brands and job search.

P2E offers three tiers of critical assistance:

- **Tier 1:** Job Readiness
- **Tier 2:** Emotional Readiness
- **Tier 3:** Eight-Week Subsidized Work Experience
