

**Town of Montville  
Community Center Building Committee  
Meeting Minutes (revised)  
September 7, 2016  
6:00 p.m. – Montville Town Hall – Room 203**

1. Call to Order. (Jeremiah Ross, Committee chairman)  
Meeting called to order at 6:16 (committee had to wait to get into the building)
2. Roll Call  
Present were committee members Scott LaVallie, Kritin Ventresca, Allyson Schmiezl, and Jeremiah Ross. Also present one member of the public.

Meeting opened with Pledge of Allegiance.

3. Approval of minutes for July 13 meeting. After a short review the minutes were approved by all members.
4. Discuss old business/survey  
The discussion first covered some of the past options that were presented during the last meeting, in particular, the 3 court concept including 2 locker rooms that could open up options available to the community and athletic competitions and practice for the high school. Members thought that this would be a positive development, but would like to see what the community would like through the survey that the committee was developing.

The committee moved on to customize a survey that was used by the Park and Recreation department for Auburn, ME. The committee went through each line item on the survey and discussed how it related primarily as a community center question. Questions were deleted and others were reworded to work best for our community survey. When the committee finished with the survey and final concerns were presented and answered it was decided that the chairman would smooth the new survey out with all of the changes, present it to the committee Town Council liaison member, Joseph Jaskiewicz, for review and corrections, and then to the members for a final approval. Once the survey is finalized the committee will see how the survey can be presented to all residents in formats that will be easily accessible and available.

5. Any new/other business proper  
The committee talked about moving the regular monthly meeting to the Fair Oaks Community Center. The change in location was presented for a vote and approved. The decision was based on ease of access, central location, being on one floor for the public, and the fact that the committee is all about the community center building. This will be changed and sent in to the town clerk.. The chairman will make the arrangements and get a key.
6. Remarks by the public – none
7. Adjournment  
The meeting adjourned at 6:59
