7. Remarks from the Public Regarding Items on the Agenda
Florence Turner, 204 Route 163, Transfer Station employee, reported, as an example of one who is abusing the current system, that she continues to witness an individual from a trailer park who has been bringing, on average, 26 to 28 bags of garbage weekly to the Transfer Station.
8. Old Business

 - b. Maynard Road Update
The Town Attorney is currently reviewing the Resolution regarding Maynard Road.

9. New Business
 - a. Proposed changes to the current regulations at the Transfer Station (Don Bourdeau)
Director Bourdeau distributed and reviewed his proposed changes to the Solid Waste Collection and Disposal Regulations and the Transfer Station Self-Haul Survey. Due to this evening's lack of a quorum and because any changes would need to occur within the next six (6) weeks in order to be implemented for the coming year, changes to the current system will

not occur until 2015. The Survey, which will be conducted as visitors exit the facility, also includes question(s) that will aid in the re-designing of the Transfer Station.

10. Remarks from the Public

Cindy and Bill Mahn, 142, Park Avenue Extension, discussed the proposed changes of the system at the Transfer Station with Councilor Longton and Director Bourdeau. Councilor Longton stated that, above all, a fair and efficient system is being sought. A brief discussion regarding how the meetings are conducted ensued.

11. Remarks from the Councilors — none.

12. Adjournment

Meeting Adjourned at 5:56 p.m.

Respectfully Submitted by:
