Stat. § 12-81(22) shall be entitled to an additional exemption of \$10,000 of such assessed value applied to the assessed value of an eligible surviving spouse's property, provided such surviving spouse's qualifying income does not exceed **by more than 25% up to a maximum of \$25,000, as provided in Conn. Any such veteran or surviving spouse submitting a claim for such additional exemption shall be required to file an application on a form prepared for such purpose by the Town Assessor, no later than the assessment date which such additional exemption is claimed, provided when an applicant has filed for such exemption and received approval for the first time, such applicant shall be required to file for such exemption biennially thereafter, subject to the provisions of subsection (5) of this ordinance. Each such application shall include a copy of such veteran's or surviving spouse's federal income tax return, or in the event such return is not filed, such evidence related to income as may be required by the Town assessor for the tax year ending immediately prior to the assessment date with respect to which such additional exemption is claimed.
