18:04

2. Roll Call

Chris Lawton, Melissa Clark, Patty Williamson

3. Adjustments to the agenda

None

4. Remarks from the Public regarding items on the agenda with a three-minute limit

None

5. Old Business

Discussed that we have our future tag sale dates; April 9, May 8, September 10, October 15.
We talked about our Town holiday parade participation. Everyone did great and had fun.

6. New Business

a. Parade award presentation. Our parade float was a great time. We thanked the Herman family many times for their work and commitment. Scott and his daughter did a lot of work on the float and drove their truck to pull the trailer. They did an outstanding job representing the Dog Park Committee. A Melissa made a motion to "Present Scott and Gabby the parade award in recognition of their hard work." Patty Seconded it. All members voted in favor.

Unfortunately no one from the Herman family attended, so Melissa volunteered to deliver the award.

b. Tag sale room income. Patty and Andrea Shaner volunteered to host the tag sale room on Dec 13, 2015. Patty also brought her granddaughter and a friend. We made \$151.

Future tag sale dates have been assigned. The May 8th date is on Mothers Day. Chris suggested doing a plant sale on this tag sale date. We will need to seek donations to support a plant sale. Patty will go to Blue Slope, Monica MacNeil will go to Malerbas, and Chris will go to Plant Lot.

c. Donation bins. Chris received another payout from the cash donation bin from Quaker Hill Package store. We collected \$81 in January. This brings us a total of \$309 in can donations received. This revenue is more than was anticipated, as such, Chris Lynch offered to place more donation cans at various location.

d. Raffle fundraiser. All members agreed that we would like to attempt a raffle as our next fundraiser. We will schedule this between our tag sale dates to allow more opportunity to sell. Chris will apply for the permit, Patty will put together a Family pack gift basket, Chris Lynch will follow up with his contacts about our date window. We will all gather ideas to present to the next meeting

7. Set next meeting date and time
