Mayor McDaniel noted that additional items were e-mailed and provided to the Councilors this evening, including a letter regarding a tour of the Corrigan-Radgowski Correction Center on Wednesday, November 15.

14. Reports from the Town Attorney on matters referred – *none*

15. Reports from the Mayor and/or Administrative Departments Heads

Mayor McDaniel reported that he was invited to and attended the October Economic Development Commission (EDC) meeting, during which the EDC decided to plan and host a Business Expo in April 2018.

He recently took one of two full-day training courses for the Small Cities Grant, a \$400,000.00 Grant providing a 0% interest loan to homeowners for necessary home improvements. A revolving fund, moneys that are returned to the Town are reused and granted to other homeowners in need of similar funding.

He was pleased to announce that on Monday, October 30, the Mohegan Tribal Council presented the Town with a very generous donation \$68,300.00 to fund the remaining amount necessary for the completion of the additional multi-purpose athletic field at Camp Oakdale. The plans and scheduling for the construction of the field have begun and the project is scheduled to begin in Spring 2018.

He met with State Senator Paul Formica to discuss a number of budgetary and Plan of Conservation & Development issues, including the proposed exclusion of areas out of certain

zones that would impede upon the Town's ability to access grant funding for such infrastructure improvements as water and sewer. A letter has been mailed to the delegation and the Office of Policy & Management (OPM), who will be working together to remedy the situation.

Discussions regarding the Dakota Partners' dam removal project for the old Faria property, which involves a number of parties, including the Department of Energy and Environmental Protection, Department of Housing, OPM, and Economic Development, have been taking place.

The Black Ash Road Project is progressing and the possibility of installing a streetlight at the intersection is being investigated. In response to Councilor Caron, who has received some concerns regarding the site lines at the intersection of Black Ash and Old Colchester Roads, Mayor McDaniel stated that he has not heard of any plans to remove any additional trees, but will investigate the matter.

The LED commissioning for the streetlights are in the process of being finalized and the re-scoping and engineering of the Transfer Station improvements and the tank replacement and improvements at the Public Works facility are in the process of being completed.

20. Executive Session – *none*

21. Remarks from the Public with a three-minute limit

Howard R. Beetham, Jr., 60 Riverview Road, Uncasville, stated that the support the people of Montville gave to Councilor Pollard, the election's highest vote-getter, reflects her support of the people of the Town over the years. As a minority representation on the Town Council, she has been the lone voice of what was right and/or wrong. He wished the Councilors good luck and hopes that they will all follow her example. He also suggested that the Councilors investigate the possibility of earning additional revenue by requiring the receipt of payment in lieu of taxes from the Water Pollution Control Authority, similar to that of the Norwich Department of Public Utilities, which pays 0.10 cents per dollar to the town of Norwich in lieu of taxes. The Housing Authority, he believes, has been doing the same.

Tony Siragusa, 39 Hillcrest Drive, Uncasville, expressed his support of the appointment of Ms. Schober to the Water & Sewer Commission, adding that she has served as a very valuable member of the Commission for many years.

Brian Levesque, Superintendent, Montville Public Schools, congratulated the Town Councilors, stating that he is looking forward to working with them and is pleased to have Councilor Pike, serve as their liaison. He extended an offer to all of the Councilors to come to his office, as he is always available to answer any questions and/or discuss any issues and/or concerns they might have. While the State has not yet released their final numbers, an estimated 5% cut is expected in education funding. He looks forward to working together with the Councilors and determining what is best for the Town and its schools.

22. Remarks from the Councilors and the Mayor

Councilor Rogulski thanked everyone for attending this evening's meeting, adding that he is happy to see that nearly all of the seats in the Town Council Chamber have been taken. He hopes that more of the public will get involved, support each other, and help the Councilors help them. Though many communicate to them through social media, having the public attend and speak at their meetings speaks volumes. He thanked the Mayor and previous Town Councilors, with whom he has enjoyed working, and looks forward to working with the newly elected members for the next two years. He also encouraged the public to visit the Town website and volunteer to fill the many vacancies that are available for Boards and Commissions. He also recognized and recited the names of the Fire Police Officers who volunteered their time at this year's Trick or Trunk event, as listed by Lt. Bunnell in his memo to the Town Council: Gottfried Beisel, Capt. Fred Dewick, Lt. Art Brooks, Tracy Callaghan, Tom Gingerella, Jon Pierce, Ron Pelletier, and Bob Sabanowitz. He wished his fellow colleagues on the Town Council the best of luck.

Councilor Pollard thanked everyone for coming out to vote on Election Day, notwithstanding the inclement weather. She also thanked Town Clerk Terry for her dedication and hard work for the people of the Town of Montville and thanked the members of the audience for attending this evening's meeting and supporting them; the Councilors will strive to work together.

Councilor Pike expressed his appreciation of the vote of confidence expressed by the people of the Town who supported his election. After many years of sitting in the audience as a member of the public, it is very humbling to be sitting on the dais. He stated that he believes in "Community First" and is an objective person who reviews the facts, figures, and information presented to him and takes each resident's concerns very seriously. He commended Town Clerk Terry on a wonderful job, adding that while she will be sorely missed, the current Assistant

Town Clerk Katie Sandberg would be an excellent replacement. In closing, he announced that he would be donating his stipend to the Hidden Heroes and was very moved by last month's presentation. He thanked everyone for attending the meeting tonight and looks forward to serving the people of the Town.

Councilor Caron commended Councilor Pike for the donation of his stipend to the Hidden Heroes. He thanked his wife, who stood beside him at the polls the entire day of the election, the voters and Townspeople, and all of the candidates and urged those who were not elected to not give up and continue their involvement with the Town. He congratulated the members of the Town Council and, having served on the Council for the past ten years, urged the Councilors to put the people first. Though he is disappointed not to have been appointed as the liaison to the Commission on Aging, he will continue to be involved with them and commended Senior and Social Services Director Kathie Doherty-Peck who does a fantastic job. He will continue to work for the people, wished everyone good luck, and reiterated his appreciation to the public. Councilor Rogulski thanked Councilor Caron for supporting the Commission on Aging over the years and hopes that he will continue his involvement.

Mayor McDaniel congratulated the Councilors, adding that it takes a lot of guts and commitment to do what they want for their community. While everyone has different ideas and many have speculated on their ability to work together, he is looking forward to working with everyone together as a team. He continues to believe in his original campaign slogan, "Montville Matters", and always puts Montville first. He has taken an oath to represent the 19,000+ members of the community and will strive to continue to do so. He urged the Councilors to maintain their civility and work to do the right thing for the community. He also agreed with Mr. Siragusa regarding his support of Ms. Schober, who is a very valuable member of the Commission and the Town.

Councilor Rogers thanked everyone who came out to the polls and agreed that it is very humbling to sit on the dais as a Town Councilor. While change can be uncomfortable, their goal, collectively, is to work together and bring back a sense of community. He urged the public to consider what they might have to offer to the Town. He is happy to have been provided the opportunity to serve them. He has an open door policy and urged everyone to reach out to them should they have any questions/concerns. He, again, thanked the public for their support.

Chairman McNally reiterated everyone's remarks, adding that his involvement with the Town began 17 years ago when he became a member of the Board of Education and felt that his involvement has been and is well worth the time. He expressed his appreciation to Town Clerk Terry for her 28 years of support and service to the Town. He wished Councilor Jaskiewicz well and thanked everyone for attending this evening's meeting and wished them all a great night.

23. Adjournment

Motion made by Councilor Caron, seconded by Councilor Pollard, to adjourn the meeting at 8:52 p.m. Discussion: None. Voice vote, 6-0, all in favor. Meeting adjourned.

Respectfully Submitted by:

Agnes Miyuki, Recording Secretary for the Town of Montville
