Item. 2. Pledge of Allegiance.

Item 3. No Remarks from the Public.

- A. The committee discussed the town council's recent adoption of the Mayor's Human Resources Job Description. All agreed it appropriate to ask the Mayor's consideration to incorporate recommendations that were agreed upon during the January 5th meeting, in which he participated. Regarding the proposed blight ordinance, Councilor Jones she stated that the committee had conducted a review of existing policy from surrounding towns, and had compiled a second iteration of the original draft. The Mayor has offered to have his office compiled into a cogent document to present to the council at the next council meeting.

Respectfully submitted,
Rosetta Jones, Chair
