Special Meeting Minutes – Tuesday, February 16, 2016
6:00 p.m. – Montville Town Hall – Town Council Chambers

1. Call to Order
Chairman Jaskiewicz called the meeting to order at 6:02 p.m.
2. Pledge of Allegiance followed by a moment of silence in honor of our military
3. Roll Call
Present were Councilors Caron, Longton, May, Pollard, Rogulski, Tanner, and Jaskiewicz. Mayor Ronald McDaniel was also present.
4. Remarks from the Public relating to items on the agenda with a three-minute limit
Lt. Leonard Bunnell, 5 Little John Drive stated that he had not seen the agenda but presumed that the purpose of the meeting was to set the dates for Referendum that he said was “the right thing to do.” He also mentioned an Open House at the Public Safety Building (PSB) scheduled for Wednesday, March 3, 2016, from 5:00 p.m. – 7:00 p.m. and Saturday, March 5, 2016, from 12:00 p.m. – 2:00 p.m. Lt. Bunnell said that the Open House would give the public the opportunity to tour the PSB to see what has been accomplished. He further stated that the reason we are here tonight is to consider the increased cost for the Resident State Trooper Program (RST) as opposed to an independent police department (IPD) that would provide 24-hour greeters for the public in addition to a “help phone” instead of an auto teller for incoming calls.

Carol Richardson, 164 Fellows Road, stated that she has been resident of the town for 35 odd years and that she supports an IPD as it would address concerns about things that are going on in area between the two casinos and also allow the IPD to conduct its own investigations as do other surrounding towns. She further stated, “Let’s not wait until something happens.”

Howard R. Beetham, Jr., 60 Riverview Road, stated that he was glad that the proposal for an IPD was going to Referendum so the Town’s people can vote. He further stated that “it is not the right time” for an IPD and that the Town should look to the local police or the RST for its needs. He added that the Town is losing its tax base and its residents, currently 17,800, stating that the Town has not grown from 1971 to present. Further, the police force has been the recipient of funds for its service. He commented about the General Electric corporate office that will be relocating from Connecticut. He urged the Town residents to vote “yes” to overturn the proposed IDP.

Linda Jean, 1583 Route 162, Unit #8, Oakdale, spoke about the increased taxes that are a burden to a lot of residents in the Town. She said that because of the two casinos in the area she supports the proposed IDP.

Robert Manfredi, 9 Heatherbrook Road, spoke about the number of residents who cannot pay their taxes, according to the Town’s annual report.

Victor Lenda, 128 Kitemaug Road, stated that he was concerned about the cost of past investigations conducted by the Town police. He provided statistical data comparing the years from 2012 to 2013 for fire/robbery calls, burglaries, auto thefts, et al, noting that although the Town population has remained stable the crime rate has increased. He added that RST Program does not have the staff to send to support towns. Further, the Tribal PD are charged with exclusively handling tribal matters only. He stated that the Town of Montville can save money with an IPD that would require an increase over current staffing of two (2) people. He further added that the RST Program costs the Town \$220,000 and that cost is increasing.

Howard Beetham, 60 Riverview Road, asked for clarification that the time for the March 8th referendum was from 6:00 a.m. – 8:00 p.m., not 6:00 a.m. – 8:00 a.m.
