RE: Village Apartments, LLC – 232 Norwich-New London Turnpike, 15 Jerome Avenue and 82 Jerome Road, Montville, Connecticut

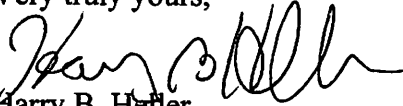

Dear Liz:

Request is hereby that the Town of Montville Planning and Zoning Commission table the above referenced application for site plan approval currently pending before it at its regular meeting of March 22, 2022. This request is made in order to allow sufficient time for the project consulting engineer and the Town of Montville review engineer to resolve pending engineering issues with respect to the development of the project.

This extension will exceed the statutory time period within which the Montville Planning and Zoning Commission is required to render a decision on the site plan application. The applicant therefore hereby grants to the Montville Planning and Zoning Commission a thirty (30) day extension of the statutory time period within which a decision must be rendered thereby extending the terminal date to April 30, 2022.

Should you have any questions or need anything further, please feel free to call me.

Very truly yours,

Harry B. Heller
