1. Call to order by Robert Mitchell– 5:15 p.m.

3. Present new athletic eligibility requirements, Rob Alves & Meagan Sears

Principal Alves shared with the E&E committee that, together with Athletic Director Meagan Sears, they reviewed the current academic eligibility expectations at the high school. They did a comparison of the criteria used at all 19 Eastern Connecticut Conference (ECC) schools and surveyed the MHS staff to help determine the increase in expectations and rigor for Montville's student athletes to be eligible to participate.

The E&E Committee engaged in a productive conversation regarding the extracurricular-academic eligibility (including both sports and non-athletic extra-curricular activities) and the academic probation policy. Principal Alves and Athletic Director Meagan Sears will make the changes discussed at this meeting and forward to the Policy Committee in June.

**Motion:** To bring the extra-curricular-academic eligibility and academic probation requirements to Policy in June 2022 and to the BOE in July 2022.
