That the Board of Education finds that the student who is the subject of this hearing did, on or about December 4, 2009, distribute a controlled substance on school grounds, and received money for same, which was disruptive to the educational process. Therefore, the student has committed an expellable offense and is expelled for one calendar year. During the period of expulsion, the student may not enter school grounds or participate in school sponsored activities, except as may be required to participate in the alternative educational opportunity.

During the period of expulsion, the student shall continue participating in counseling, with periodic reports to the Superintendent of Schools.

Should the student adequately progress in his alternative educational opportunity, the student may be returned to school at the beginning of the 2010-2011 school year.
