RE: 307 Route 32 Site  
CLA-7064U

Dear Liz:

We have reviewed the revised plans (dated February 22, 2023) submitted for the 303-309 Route 32 site conversion of two commercial buildings to multi-family use. Our previous comments have been satisfactorily addressed. It is noted that the balcony columns are to be relocated at the corner of the southerly building and the vertical clearance over that part of the access way (7' of the 16' width) will have a clearance of 8.5' or so.

Very truly yours,

Thomas L. Cummings, P.E
