Dear Mr. Burch:

Subject: Resubdivision.
958 Oakdale Road / Route 163
Town of Montville

The Department of Transportation (Department) has reviewed your latest plans for the above-noted subject received September 27, 2023, entitled, "Resubdivision" dated July 17, 2023, and last revised September 25, 2023. Your submittal/application to work within the State right of way or perform work that may affect State property is denied based on the following comments:

1. Proof of Town approval must be submitted prior to the issuance of an encroachment permit.
2. The 85% speeds in this area are 49MPH; therefore, sightlines of 545' are required.
3. Every effort must be made to obtain a sightline easement where the sightline crosses the adjoining property.

When you resubmit, please provide two sets of plans, 40 scale or larger, reflecting the above-noted comments.

Please note that any resubmission may generate additional comments and concerns and in no way guarantees the issuance of an encroachment permit. An encroachment permit must be obtained prior to performing any work within or affecting the highway right of way.

If you have any questions in regard to this matter, please contact Mr. Gary Brigham of this office at (860) 823-3114, or by email at Gary.Brigham@ct.gov.

Sincerely,

George C. Santos
