

FY2024-25 BUDGET SUMMARY

At this time, I am presenting my proposed Fiscal Year 2024-25 Budget and Capital Plan to the Town Council for your consideration.

As each year presents its own unique challenges when developing a reasonable budget, this year is no different. Every department request was reduced to some degree; some more than others. With that being said, my report reflects a 2.24% increase to the overall budget bringing it to \$70,718,345.

While we were fortunate to have ARPA funding to offset some previous year's budget expenses, unfortunately, some of those expenses have to be funded outright this year. For example, Tipping Fees are at \$250,000 and Workers Comp Insurance adds another \$250,000. There are other hurdles such as the police accountability bill which presented more unfunded state mandates in regard to certifications and training. Another new unfunded state mandate added to this year's budget is the early voting requirement, which is up 33%.

In my efforts to meet the demands of our town's needs, I have made the following additions:

- one firefighter when the request was for three,
- another police officer which will offset the cost due to the PD taking on the role of Animal Control Officer,
- a Public Works Road Foreman in order to meet the increased work load and new town projects,
- a part time Program Developer to better assist our senior citizens with ever-expanding programs, and
- the return of a part time floater clerk at the town hall which allows offices to remain open during time off by full time staff

Please keep in mind that there are also five Union CBA's in negotiation during this year's budget.

To help off-set this year's increases, I am proposing the use of \$500,000 in unallocated funds.

In regard to Capital Improvements for this year, I am proposing a total of \$1,771,601:

- \$797,075 for the Board of Ed which in part includes MHS Track Resurfacing and School bus replacement and
- \$974,526 for General Government which in part includes a security camera system at the Parks and Rec location as well as renovations to the Community Center restrooms

While this represents an increase of 183% in comparison to last year's budget cuts, we need to do what's necessary to meet the needs of our growing community and its population.

I truly appreciate all of the hard work that our staff members perform on a daily basis, while working to the best of their ability as they address realistic concerns.

I am open to working with the Town Council in order to move forward for whatever is best and upbuilding for our town.

PROBATE**CODE: 10350**

The Public Act 09-01 established a consolidated Probate District serving the towns of East Lyme, Montville, Old Lyme and Salem. It is known as the Probate District Court of Niantic. The court will operate out of the former Police Station Building in East Lyme. Shared expenses shall be allocated among the District towns based on each town's percentage of the District's total population, according to the U.S. Census every ten years. The following percentages are based on the U.S. Census of 2020:

Town	Population	Percentage
East Lyme	18,849	38.4%
Montville	18,478	37.7%
Old Lyme	7,577	15.4%
Salem	4,151	8.5%
Total	49,055	100.0%

No later than January 31 of each fiscal year, the Fiscal Agent shall submit to the CEOs of the District towns a Court operating budget and capital budget for the coming fiscal year. The CEOs shall approve the budgets and incorporate their portions into their own town budgets.

MUNICIPAL INSURANCE

CODE: 10425

Municipal insurance includes but is not limited to public officials' surety bonds, comprehensive liability coverage, property insurance and the Town's umbrella policies.

Insurance rates are anticipated to increase 10% for the 2024-25 Fiscal Year.

Insurance reimbursement covers the town's payment for repairs on insurance claims. The Town receives the insurance checks in a matching revenue account making this line item mill rate neutral. This account also funds the cost of an insurance consultant.

BOARD OF ASSESSMENT APPEAL

CODE: 10430

The Board of Assessment Appeals is an official municipal Board created as the first level of appeal from actions of the Assessor. The Board functions at an intermediary level between the Assessor and the courts. Since members of the Board are generally laymen, the Board provides taxpayers with the opportunity to be heard by their peers at no expense to themselves. The Board of Assessment Appeals derives its legal authority from the Connecticut general statutes.

OTHER

CODE: 10480

Cost center covers miscellaneous matters including the town's annual contribution to the capital non-recurring fund, contingency for unanticipated matters and the Firefighters relief fund.

The Firefighters relief fund was established by the Town Council to support the Town's volunteer Firefighters. Each qualified Firefighter receives a quarterly stipend in recognition of his service to the Town. New GASB regulations require the town to budget for this in the General Fund instead of the separate Fire Fighters Relief Fund. The total annual stipends are anticipated to be \$50,000.

Contingency is funded at \$150,000.

Costs related to settlement matters are funded in this category.

TOWN CLERK

CODE: 10560

The Town Clerk serves as the official record manager for the Town maintaining all land records, Boards and Council minutes, births, deaths and marriages, election and voter records within the town of Montville. The Town Clerk also issues all dog, fishing and hunting licenses. The Town Clerk is responsible for the maintenance and recording of veteran's discharges. The Clerk maintains the listing of current justices of the peace, and registers and certifies notaries.

Personnel funded in this office are The Town Clerk and one full-time Assistant.

I have requested a small increase in two of my line items above Fees & Memberships (52136) and Training & Conferences (53004). This request comes from increased cost of bi-annual conferences and Connecticut Town Clerk's Association Classes as well as increased membership fees & requirements as I have continued my Education with the State and received higher designations. This increased need is also depicted in my 2023 Actual Expended. Other lines have remained the same and many with higher balances are being currently utilized for purchasing of required document storage and costs that will be incurred during the start of 2024.

I would also like to add, revenue within the office for Vital Record sales has doubled in the past two years going from \$18,940 in 2021 to \$36,580 in 2023. This \$20,000 increase in revenue more than adequately covers this small budget increase and fully covers many other line items above.

ZONING BOARD OF APPEALS

CODE: 10670

The Zoning Board of Appeals duties and responsibilities are granted under the Connecticut General Statutes. The ZBA considers all appeals when it is claimed there is an error in order, requirement or decision of the zoning enforcement official. The ZBA also can also authorize a variance from the zoning regulations, which is limited by statute to extraordinary situations. The ZBA also will consider all matters the zoning regulations specifically require the ZBA to hear. The ZBA does not have the authority to enact or change zoning regulations. This power is reserved to the Zoning Commission.

HEALTH

CODE: 10710

The Town's expenditures related to Health are charged to this cost center. The Town is a member of the Uncas Health District and its annual contribution is funded here. It should be noted that by state statute the required contribution to the Health District is based on the Town's population, which includes the prison population.

Additionally the Town's responsibility to fund health services for children attending non-public schools as required by state statute is also accounted for here, as well as payment for vital statistics.

SOCIAL SERVICES

CODE: 10720

It is the goal of the Social Services Department to ensure that all needy and indigent residents in the Town of Montville have access to and knowledge of the programs and services available to them. We are dedicated to those facing immediate hardships, crisis, or emergencies and work diligently to ensure they receive the proper assistance, promptly and effectively. It is also the goal of this Department to find innovative ways to raise some of its own funding as supplementary sources of assistance for those in need and offer additional programs to those presently available or recently dissolved by State cuts.

RECREATION

CODE: 10730

The Recreation department provides and administers leisure activities for the Town's residents. The department supports community events and sport leagues through donations. A separate fund has been established for special programs.

This department employs a full time Recreation Director and a full time Secretary.

51073 PT Recreation Programs: \$8,000

There was an increase in the minimum wage up to \$15.69. /hr. staff in this line item are used to supervise programs and facilities

51070 PT Camp Oakdale: \$135,600

The large increase is due to the Finance Committee reducing our current budget request last spring from \$126,000 down to \$110,000. We encouraged them to reconsider as it would not be enough to cover the expenses for our current year's staff. Minimum wage also increased again this January from \$15.00-\$15.69/hr.

53053 Community Center/Camp Oakdale Refunds: \$3,000

We have seen an increase in the amount of rentals for the field, pavilions and community center.

53070 Summer Camp Program: \$23,700.00

The increase is due to the increase for entry fees for camp trips which we pass along to the camper so that revenue will be collected to offset the additional expense. We also will need to replace some equipment due to the use it sees during camp.

SENIOR CENTER

CODE: 10740

It is the goal of the Senior Services Department to ensure a high quality of life for our senior citizen population in the Town of Montville and that all of our seniors have access to and knowledge of programs and services available to them through either private or governmental resources. It is also the goal of this department to continue to raise some of its own funding as a means to increase its level of programs and activities provided to our elderly, which in turn provides numerous benefits (social, mental, physical, etc.) while increasing utilization of the senior center. It is imperative our senior services department continues to provide the services needed and necessary to accommodate the ever-increasing senior population and the present and changing needs of our elderly population.

Personnel costs include the director and the receptionist. All funding related to the senior bus driver has been transferred from the public works budget into the senior center budget.

POLICE DEPARTMENT

CODE: 10820

Prior to fiscal year 2023-24, the Montville Police Department was an organized police agency operating under its own authority and working under the operational supervision of the Connecticut State Police. For fiscal year 2023-24 the Town hired its first **Chief of Police** and no longer funds a Resident State Trooper. A second **Administrative Assistant** was added to this Department to support the Chief of Police.

All full and part time personnel are thoroughly trained and certified, meeting all the requirements of the Police Officer Standards and Training Council as well as Section 7-294d of the Connecticut General statutes and thus authorized to serve as police officers in the State of Connecticut.

The mission of the Montville Police Department is to uphold the law through the investigation of violations of Criminal and Motor Vehicle Connecticut State Law and Montville Town Ordinances; to protect life and property; to provide leadership and law enforcement assistance to Federal, State, Local and International agencies; and to perform these responsibilities in a manner that is responsive to the needs of the public and is faithful to the Constitution of the United States.

FISCAL NOTES

Special events segregate the costs incurred as in-kind for events such as Youth Day, Memorial Day Parade, Montville Fair and Kid's Day.

Grant overtime reflects the anticipated award; offsetting revenue of 80% is incorporated in the revenue side of the budget.

Description/Purpose:		Our current bullet proof vests are slated to expire in the Fall of 2026. These vests only have a life span of 5 years and they were received in the Fall of 2021. We originally obtained these vests through a grant / donation from a foundation. In today's economy, the vests are approximately \$1,600 per vest and there are 29 Officers. However, through the hiring of new staff, there are 4 vests purchased after the original order, which makes their expiration date later. So the total cost to replace the 25 vests would be approximately \$40,000. The plan is to split the \$40,000 over two budget periods (\$20,000 each year), so that the vests can be replaced on their expiration date. As you are all aware, bullet proof vests are a critical part of our uniforms and are extremely important for safety reasons.

Description/Purpose:		Replace or repair the Large Pavilion as it is showing signs of deteriorating both on the roof and footings. The facility is heavily used by the public and host many events throughout the year. Engineers took a look at the site and provided us with what work needs to be done. Getting estimates for repair versus replacing will be done to find the most efficient solution.

Description/Purpose:		<p>Construction of a Splash pad on a piece of land already owned by the Town for the use of our residents. Possible locations would be the Montville Community Center or behind the tennis courts on Simpson Lane. With no access to a pool in the summer months this would provide relief to children from the heat. Using a recapturing system for the water will require us to chemically treat the water for the safety of the users. Twenty square feet per person is the industry recommendation for a splash pad. A facility that can accommodate 125 people at one time multiplied by 20 square feet per person multiplied by \$61.00 per square foot would cost \$152,500. A splash pad for 200 children would be estimated at \$305,000. This estimate is taken from an industry website.</p>

Description/Purpose:		Design and construct a parking area for the Large and Small Pavilions. Currently there is no defined parking at the Large Pavilion and parking is hap hazard and can be dangerous and ineffective at getting the most out of the space for parking. The surface is grass and gravel. Have the Town Engineer design a delineated parking area with options for paving or other material for a surface to direct patrons to the appropriate parking spaces. The Small Pavilion is currently paved with a deteriorating surface. Removal and resurfacing of that parking area will also provide a safer space for patrons to park.
