RE: Subdivision Application 24SUB4 Review
958 Route 163
CLA-7873E

Dear Meredith:

CLA Engineers, Inc. (CLA) has received the application materials for the above referenced project located on the Town Form Repository:

<https://www.townofmontville.org/form-repository/24-sub-4-958-route-163-1-lot-resubdivision/>

CLA performed a review of the subdivision application documents. The review was limited to the subdivision and the erosion & sedimentation control bond amount. The actual solar array construction appears to be under the jurisdiction of the CT Siting Council and CTDEEP and was not considered. We offer the following comment on the subdivision materials:

1. The Erosion & Sedimentation Control Bond Estimate amount is suitable.

Thank you for the opportunity to provide this review. Please feel free to call me at our office or email khaubert@claengineers.com with any questions.

Very truly yours,
CLA Engineers, Inc.

Kyle Haubert, P.E.
