Hi, good afternoon,

It looks like 1121 East Lake Rd has only gone through subdivision approval in our office. We have not issued a septic permit for this address. However, in looking at the plan, the new proposed drainage area is further away from the proposed septic system, therefore, I can approve the new location of the drainage area.

Thank you,

Alyssa

Good afternoon,

Please find the application documents for a modification to an approved 8 lot subdivision on East Lake Road. The modification is to Lot 7 for a drainage modification.
