The Board welcomes public comments at Board meetings. When you speak, please clearly state your first and last name and your address so that we can reach out to you after the Board meeting. Please try to limit your comments to 3 minutes. The Board's protocol is that they do not respond to citizen's comments at the meeting. They do, however, listen carefully and follow up after the meeting as appropriate. This certification shall include all food offered for sale to students separately from reimbursable meals at all times and from all sources, including but not limited to school stores, vending machines, school cafeterias, culinary programs, and any fundraising activities on school premises sponsored by the school or non-school organizations and groups.
- c. Consideration and action re: The Montville Board of Education will allow the sale to students of food items that do not meet the Connecticut Nutrition Standards provided that the following conditions are met: 1) the sale is in connection with an event occurring after the end of the regular school day or on the weekend; 2) the sale is at the location of the event; and 3) the food items are not sold from a vending machine or school store. An “event” is an occurrence that involves more than just a regularly scheduled practice, meeting, or extracurricular activity. For example, soccer games, school plays, and interscholastic debates are events but soccer practices, play rehearsals, and debate team meetings are not.
