RE: Site Plan – 1492 Hartford-New London Turnpike  
Jeff Daniels

An application has been approved for a site development plan located at 1492 Hartford-New London Turnpike. At this time we are requesting that the site plan approval be renewed for another five years, per Section 4.11.11.3.2.C.

We would also like to extend the period of time that the temporary access is allowed between the two properties, 1492 Hartford-New London Turnpike and 1502 Hartford-New London Turnpike, for an additional year, as the work has not been completed yet.

If you have any questions please do not hesitate to contact me.

Very truly yours,
