This office has completed our review of the submitted plans entitled, "Daniels Construction – 1492 Hartford New London Turnpike – Montville, Connecticut" dated April 2024, and last revised August 2, 2024. A final determination has been made and we find the proposal acceptable with one further comment at this time.

A Drainage Connection Concurrence (D.C.C.) will be required. Upon receipt of a completed application the required D.C.C. will be written, site specific, and attached to the approved permit. The permit and the D.C.C. must be signed and a copy of each must be recorded in the town land records. Proof of the recordings (3 copies) showing volume and page number must be submitted to this office prior to the start of any work within the right of way.

As regulated by Connecticut General Statute 13b-17, no work is to commence within the State right of way without first obtaining a DOT encroachment permit. In order to obtain the required encroachment permit, the following documents must be provided:

- A check or money order in the amount of \$110 payable to "Treasurer – State of Connecticut."
