Ms. Badalucca,

The Police Departments comment is as follows:

On the cover sheet under "General Notes", #4 Maintenance and Protection of Traffic section A., speaks about how "The contractor being solely responsible for all maintenance and protection of traffic, traffic control, temporary signing or barricades, and temporary lane closures as needed.....".

This needs to state that they are responsible for contacting the Montville Police Department, to determine what level of traffic enforcement is necessary. The Montville Police Department will provide traffic control and regulate any lane closures as necessary.

Respectfully,

LT David Radford II #09
