Ms. Badalucca,

The Police Department has the same comment as previously mentioned. On page 1 of the "Site Improvement Plan" under General Notes #4 Maintenance and Protection of Traffic, letter A. – The contractor will confer with the Montville Police Department to determine what level of traffic control and patterns are needed. This will not be done solely by the contractor and may require police presence.

Respectfully,

LT David Radford II #09

Good afternoon,

The applicant has provided updated materials which I have attached. All application documents can be found using the link previously provided. Please note this application is on our agenda for Tuesday, July 22nd. I would be greatly appreciated if you could review the revised documents to see if your previous comments have been addressed or for additional comments so I can provide them to the applicant.

As always, please call me with any questions. Thank you.

Regards,

Meredith Badalucca, CZEO
