Chair Doherty-Peck

• reported she received generous donations the past season. To note of some: Montville Volunteer Fire Companies held annual Toy Drive, Charter Oak Federal Credit Union donated 5K to Social Services, Mohegan Tribe donated \$3,400 to Social Services, and many other donations from town residents, businesses, and organizations. There has been work done at the Center as far as painting and new carpet. Final touches are being done with that and the Mohegan Tribe has donated the funds to purchase new furniture in the lobby as well as the Library, which will be a multifunctioning room now and we will be able to offer even more programs.

Though not all of the grants were awarded, none of the services had to be cut thanks to the Town's willingness and ability to help.

New programs will include Sign Language Classes, Spanish Classes, a Women's Group and more.

Liaison Caron

- Reported budget season is here and they are looking very closely and reviewing all budgets. He, the Mayor, and the Council work very hard to ensure we have a viable budget to work with and approve. The Mohegan Tribe is very generous to us and donated grills and picnic tables to housing and is donating the funds for the lobby and library.
