Good afternoon,

I know I don't usually send my staff reports to all of you on PZC applications, as they are on the website for review. However, I thought this one may be of assistance in reviewing the modified plans. I have broke down the background of the applications and CZC inspections for this project, as well as the proposed changes to the approved phasing plan.

This application is on the PZC agenda for March 24<sup>th</sup> and requires a decision to be rendered by April 30<sup>th</sup>. Please provide any comments you may have so I may forward them to the applicant's engineer for revisions.

Thank you!

Regards,
