Subject: 26 SITE 3 - 061-002-000 Noble Hill Road

Good afternoon,

We have received the attached application for the mitigation of the unpermitted removal of earth products at 061-002-000 Noble Hill Road. This application is to correct a zoning violation and no new structures or uses are being proposed.

I expect that most departments will not have any comments. However, I wanted everyone to be aware and able to comment. The application documents can be found below.
