To consider an increase in sewer usage rates as follows:

Water and Sewer Commission Proposed Sewage Usage Rate Schedule
Effective Date July 1, 2026

	Current/Quarter	Proposed/Quarter
Residential	\$80.00	\$100.00
Commercial	Current/Gallon	Proposed/Gallon
	\$.004981	\$.006226

4. Remarks from the public.
Resident Maureen Benway, 41 Dock Road, Uncasville opposed the increased sewer rates of \$25. She noted that the water rate is also increasing by \$10. She suggested that the sewer rate increase should be spread out more as the cost will be difficult. The total \$45 increase is too much, and she would like to see a decrease in the sewer rate.

Leonard Bunnell, Sr. 13 Littlejohn Drive, Uncasville spoke in favor of the sewer rate noting that it has been 10 years since the last increase. The WPCA has held the rate at \$80 even if it should have been done five (5) years. He noted that a healthy treatment plan speaks to the success of the Town.
5. Adjournment.
Motion by Commissioner Terry; seconded by Commissioner Miceli to adjourn the meeting at 5:48 p.m. **Voice vote: all in favor. Motion approved.**
