Hi Meredith,

I followed up with the other Health Districts that have these in their Towns already. So far, they have had no complaints regarding these units.

We could ask the applicant some follow up questions:

- how do they manage the units so that bags are never left outside the bins?
- how do they manage pests?
- how often are the units cleaned?

Thank you,

Alyssa

I realize some departments may not have any comments. However, I wanted to give everyone an opportunity to review and comment.

Please note, this application will be received by the PZC this evening. Please provide any comments you may have to both my attention and Katherine's in a timely manner to allow the applicant to address prior to the July 28th PZC meeting. Thank you.

Regards,
