

Town of Montville Inland Wetlands Commission
Meeting Minutes of June 22, 2011
6:00 p.m. – 1024 Grassy Hill Rd

1. Call to Order

Chairman Brush called the meeting to order at 7:00 p.m. after establishing a quorum.

2. Roll Call

Present were Commissioners Bartholomew, Brush, Riske and O'Bday.

3. Elizabeth Rummel: An application for the installation of a temporary pool on the property located at 1024 Grassy Hill Road, Montville, Ct. as shown on Assessors Map 4 Lot 10.

Called to order at 6:00 PM at 1024 Grassy Hill Road

Site was reviewed. Discussion on whether it the pool was permitted as of right. While the pool may be as of right, the commission noted excavation & sand that was placed in the regulated area for the pool, therefore there was a need for a permit. In this case, the pool doesn't have a sand filter that discharges & the pool is drained over a long path to the wetland. Also noted similar excavations & deposits could be made much closer to the wetland, so it was felt that, in this case, a permit was required. However, it's understood that the permit is for a pool that would be put up & taken down annually, and as long as more extensive excavations are not made, the annual re-installation wouldn't require a new permit.

Motion made by commissioner Brush as follows:

After giving due consideration to all relevant factors including those in Section 10 and or Section 4 of the Montville Inland Wetland Regulation and Section 22a-41 of the Connecticut General Statutes, I move to approve application
