The Town of Montville through its association with the Connecticut Conference of Municipalities (CCM), the statewide association of towns and cities, is now providing a new prescription discount card that will provide uninsured and underinsured residents steep savings on prescription medicines.

Montville is a member of CCM and this new program is only available to CCM member-communities.

This new prescription discount card will provide immediate fiscal relief at the pharmacy counter for uninsured and underinsured residents and offers the following features and benefits:

- Anyone can participate regardless of age or income;
- All prescription medications are covered including pet prescriptions that can be filled at a pharmacy;
- There is no cost to the municipality or to participating residents;
- Cost savings average 45% ;
- There are over 63,000 participating pharmacies nationwide, including CVS, Rite-Aid, Walgreens, Wal-Mart, Stop and Shop, and Big Y, and many independent pharmacies;
- Discounts are also offered on other medical services including vision, hearing and Lasik services.

Ronald McDaniel, Mayor of Montville, said, “This is an important solution to a pressing issue that will assist residents in need across Montville.”

“CCM is pleased to offer this valuable community service to Montville,” said CCM Executive Director and CEO Jim Finley. “Many families are struggling and even some families with health insurance may not have all their prescriptions covered. This program will help them save money on any medicines not covered by their insurance.”

Each residence in Montville will receive a “Town of Montville Falls Prescription Discount Card” by direct mail which they may use at any participating retail pharmacy. Cards may be used by all town residents regardless of age, income or existing health coverage.
