AMENDED
SPECIAL MEETING
SITE WALK MINUTES
Thursday, July 30, 2015

Location: 430 Maple Avenue, Uncasville, Ct. As shown on Assessor's Map 31 Lot 11.

In conjunction with **Yales Auto Salvage**: An application for remediation/maintenance of existing culvert outlet

Commissioner Brush Called the meeting to order at 6:00 pm
Commissioners present: Berardy, O'Bday, Brush, Greiner and Deranleau.
Applicant's representative was Bob Russo of Green Site Designs

Mr. Russo showed the Commission the area of activity and explained the work to be done. The area will be remediated which will include the removal of silt from the existing ditch 50 ft. from existing headwall. Objective is to provide more space to act as a collection area for sediments that are coming off of the site across the road. A leakoff area will be replaced as well. Plantings will be used to restore the area and supervised by Mr. Russo. Discussion was held.

Adjourned *to Town Hall* at 6:05 pm
