

**Animal Control Facility Subcommittee**

**Special Meeting Minutes**

**January 10, 2019 4:00pm**

**Montville Public Safety Building Meeting Room**

Attendance: Commissioner Perkins, Commissioner Leonard, Commissioner Gillette

Discussion continued on the construction of a new animal shelter at the Public Works Complex.

Discussion and review of the conceptual drawing and nuts and bolts estimate. There was a discussion as to the already reduced size of the facility.

Commissioners Perkins, Gillette and Leonard are recommending a build no build vote from the commission to the town council for the construction of an Animal Control Facility.

Commissioner Leonard was going to reach out to Marcia Vlaun on her attendance with the town engineer to answer any questions by the Commission at the next meeting.

Meeting adjourned at 4:45pm.
