**Please Do Not Do This**

Set carts no more than three feet from the curb and three feet apart. If carts are not by the curbside, they will not be collected.

On your scheduled collection day, place the carts with the lid opening facing the street; and handle away from the street.

When left at the curb for collection, carts should be placed at least three feet from obstacles such as mailboxes, garages, poles and vehicles, as well as trees and shrubs.
